Welcome to Creative Preschool!

The purpose and goal of Creative Preschool, Inc. is to provide a planned nurturing and loving environment for three, four, and five year old children in which they can develop cognitively, emotionally, physically, and socially, each to his or her potential. To do so, Creative Preschool uses *Creative Curriculum for Preschool* and *Ohio's Early Learning and Development Standards and Implementation Guide* as resources to plan and implement a developmentally appropriate program which is rich in content in literacy, math, science, social studies, and the arts, while encouraging the social, emotional, and physical development of each individual child.

Creative Preschool, Inc. has earned Ohio's Step Up to Quality Two-Star Award. Step Up to Quality is a voluntary rating system for early care and education programs. Creative Preschool received this award from the Ohio Department of Job and Family Services - Bureau of Child Care and Development, the state agency responsible for licensing, and the Ohio Department of Education in recognition of our excellent child care program and our ongoing commitment to the care and education of the young child. To qualify for this award, we either meet or exceed an extensive list of quality benchmarks above the minimum requirement of the State of Ohio.

Creative Preschool, Inc. is legally licensed to operate by the Ohio Department of Job and Family Services (ODJFS). This license is posted on the bulletin board in the office and in the front hallway. The laws and rules governing Child Day Care are available for review at the school.

Creative Preschool, Inc. is currently licensed to serve 48 2 1/2 – Kindergarten age children per session. Staff/child ratios are 1:10 for three year olds and 1:12 for four and five year olds with a maximum group size of twelve and fourteen respectively. Creative Preschool, Inc. does not discriminate in the enrollment of children upon the basis of race color, religion, sex, national origin or disability in compliance with the ADA act of 1990, 104 Stat. 32, 42 U.S.C. 12101 et seq.

Licensing record, compliance reports, inspection reports, and complaint investigation reports from ODJFS, and evaluations from building and fire inspections are available for review from ODJFS. The ODJFS website is: jfs.ohio.gov/cdc. The inspection reports and complaint investigation reports are posted in the school office for review.

What is a Co-op?

Creative Preschool, Inc. is a non-profit, co-operative preschool. It is by this system that we are able to maintain such high standards while keeping costs as low as possible. As a co-op, parents and staff work hand in hand in the daily running of our program. In addition, the Creative Preschool Board, who are an elected group of volunteer parents, in cooperation with the staff, create policies and plan special school and family events for the child and their family's well-being.

Fund-raisers

Creative Preschool, Inc. is a non-profit organization. Fund-raisers help to defray expenses. Some possible fund-raisers include a child friendly family Carnival in May and a fund-raiser product sale. PLEASE SUPPORT OUR FUND-RAISERS!

The Director is Available

Mrs. DePaoli is usually available Monday, Tuesday, Thursday and Friday from 8:30-3:30. She can be available every week day, except Wednesday, after 3:30 by appointment.

CREATIVE PRESCHOOL, INC. POLICIES

No smoking is permitted on school grounds!

Report of Abuse/Violations

The administration and each employee of Creative Preschool, Inc. are required, under Section 2151.421 of the Ohio Revised Code (ORC), to report suspicion of child abuse or child neglect by immediately notifying the public Children's Services Agency (241-KIDS). Should individuals suspect violation of Chapter 5104 of the ORC of Chapter 5101:2-12 of the Administrative Code, they should report the suspected violation to the ODJFS at 1-866-866-3537.

Observation/Evaluations

Custodial parents or guardians of a child enrolled in Creative Preschool, Inc. shall be permitted unlimited access to the school during hours of operation for the purpose of contacting their children or evaluation of the premises and/or care provided. Please notify the office upon entering the building for these purposes.

A Custody Agreement must be on file for those children to which it applies.

Parent and Class Roster

This Handbook will be emailed to the parent/guardian of each child enrolled at Creative Preschool, Inc. This same Handbook can be found on our website for handy reference. A paper copy of the Handbook will be provided to families upon request. A Class Roster, which will include each child's name, address, phone number, parent name(s) and email address, will be available only upon receiving written permission from each child's parent/guardian.

Change of Address or Information

Please inform your child's teacher, the Registrars, and the office of any change in address, phone numbers, email or emergency information.

Medical Forms, Health Forms, and Enrollment Forms

Each child enrolled in Creative Preschool, Inc. must have a current Medical Form and a State Health and Enrollment form on file. **These forms must be completely filled out and turned in to the Registrars before your child begins school!**

Because State licensing requires that the Medical Forms be updated yearly, just before the year anniversary of your child's last well- checkup a new Medical Form will be sent home through school. Please take this form with you when you visit your child's doctor for his/her yearly medical checkup, and then return it to school as soon as possible so that Creative Preschool, Inc. can remain in compliance with State Licensing.

Any child who has special medical needs, medications, or food allergies will be required to have additional documentation on file. Please see Mrs. DePaoli.

Communicable Disease Policy

Staff members have been trained in the management and identification of communicable disease, disinfecting, and hand washing procedures by a licensed R.N. Most staff members have current Red Cross First-Aid cards. The staff will refer to the Ohio Department of Health "Child Day Care Communicable Disease Chart" for appropriate management of suspected illness. This Communicable Disease Chart is posted in the office. If children have been exposed to communicable disease, a sign will be posted to notify parents and guardians.

Each day upon arrival the teacher shall observe each child as he or she enters the group. The director or staff member will immediately notify the parent or guardian of a child's condition when signs or symptoms of an illness are observed. A child with any of the following signs or symptoms shall be immediately isolated in the office with the director or designated staff member until the child is discharged to his/her parent or guardian. These signs include: a temperature of at least one hundred degrees Fahrenheit, diarrhea, severe cough causing the child to become red or blue in the face or to make a whooping sound,

difficult or rapid breathing, yellowish skin or eyes, redness of the eye, obvious discharge, matted eyelashes, burning or itching of the eye, untreated skin patches, unusual spots or rashes, evidence of untreated lice, scabies, or other parasitic infestation, sore throat or difficulty swallowing, unusually dark urine, gray or white stool, a stiff neck with elevated temperature, vomiting more than one time or when accompanied by any other sign or symptom of illness.

After illness, a child may return to school after remaining fever free for an entire 24 hours, or upon the permission of a physician.

Each staff member has a medical record on file, as required by State licensing. Teachers are conscientious not to work when ill. Staff members will observe one another for signs of illness and communicable disease, as well. In the event that a teacher is ill, a staff member will substitute teach if available.

Handwashing Policy

Staff members have been trained in the management of hand washing procedures by a licensed R.N. State of Ohio Licensing rules require that staff and all helpers wash their hands thoroughly before the children arrive before class, before and after handling food, after using or assisting children with toileting, and after handling bodily fluids.

Children are required to wash their hands thoroughly

- upon entering the school or classroom at the beginning of their day
- following toileting
- before eating and after eating
- following the handling of pets
- following water or sand play
- following the handling of bodily fluids

Children will be instructed in proper handwashing which will be overseen by staff members

Because the State of Ohio Licensing requires that all children wash their hands upon entrance, parents who bring their child into the school will be required to take him/her to the lavatory for handwashing before entering the classroom. Those who do drop off will be assisted by a staff member.

The use of hand sanitizer is permitted with written parental permission and when administered by an adult. All parents will be required to sign the Permission to Apply Hand Sanitizer form indicating permission or denial of permission. Hand sanitizer will only be used when hand washing under running water is too inconvenient. No child is ever permitted to carry hand sanitizer with him/her or in his/her school bag or to self-administer.

Medications

No medication, vitamin, or special diet will be administered by the staff of Creative Preschool Inc., except in the case of medical emergency. When medication is necessary a prescribed form must be filled out by the child's physician. Please see Mrs. DePaoli.

Safety in the Classroom

The child care staff member in charge of a child or group of children shall be responsible for their safety. No child is ever left alone or unsupervised. A child will never be released to anyone other than his/her parent or guardian unless the teacher has received written permission from the parent or guardian. Once all children have arrived for school, the school doors will be locked until dismissal.

A Custody Agreement must be on file for those children to which it applies.

Illness and Injuries

A child who becomes ill or injured while at school will be kept in the office on a cot, if necessary, with the school director or designated staff member, until the child's parent or guardian arrives. If the parent or guardian is not available, the school will discharge the child to the person who has been designated by the parent or guardian to take charge of the child. Should a child become injured while at school parents will be asked to sign an incident/injury report, as required by State licensing.

Please call the school when your child will be absent.

Emergencies

Medical and dental emergency procedures, emergency numbers, and the names of personnel trained in First Aid are posted in the office and in each classroom. First Aid boxes are in the kitchen cabinet marked with a Red Cross. Children's emergency numbers are filed in the office for administrative use only. A phone is always available for emergency incoming and outgoing calls.

Creative Preschool, Inc. will not transport a child to the source of emergency medical or dental care. Green Township Fire EMS and the parents will be called in the case of extreme emergencies. Parents will be called for minor emergencies.

Environmental emergency procedures and emergency numbers are posted in the office and in each classroom. To protect the children, spray aerosols are prohibited when the children are present. As required by State rules, a fire drill and/or a weather alert drill will be held each month. In case of emergency evacuation, the staff will take the children to the outdoor shelter area by the playground. In case of extreme emergency in which the shelter area will not be safe, the children will be escorted to the parking lot of the West View Shopping Center on Ebenezer, near Cleves Warsaw. Parents will be called as soon as possible to pick up their children from this location.

Communication

The Board and staff of Creative Preschool, Inc. believe that communication between home and school is of utmost importance. Most information important to you and your child from the teachers or the Board will come home via email and/or written communication through your child. You are asked to check your email and your child's cubby daily for:

- special information from the Board or Room Parents
- all-school monthly Newsletters
- program-specific weekly newsletters

Email communication is often sent in large groups, Blind CC. Some server settings automatically block this type of email or emails with attachments. **Please be sure to accept creativepreschool@fuse.net and creativepreschool@yahoo.com as safe contacts.** At any time should you notice that you are *not* receiving monthly communication, please check your spam and/or contact Mrs. DePaoli.

Your child will be provided a bag at Orientation to transport papers home from school. Please ask whoever picks up to check your child's cubby daily. *Parents, please be certain to check and empty the bag each day.*

In addition, information, including this Handbook, the Calendar, all-school Newsletters, and Current events can be found on our website, www.creativepreschoolcincinnati.com.

Please *like* us on our privacy protected Facebook page, as well!

PLEASE KEEP YOUR TEACHER AND THE OFFICE ADVISED OF ANY CHANGES TO YOUR CHILD'S CIRCUMSTANCES, INCLUDING YOUR ADDRESS, PHONE, and EMAIL CHANGES!

Guidance and Management Policy

Discipline is a way of teaching proper behavior, not punishing improper behavior. At Creative Preschool, Inc. rules will be simple and discipline will be positive, specific, and consistent. If a child's behavior is not suitable for a particular activity, he or she may be redirected to another. An uncooperative or disruptive child may be removed from a situation by further redirection. In extreme cases he or she may be required to sit alone in a designated area of the room for a few minutes to think about his or her behavior and observe appropriate behavior. As a last resort, the child may be removed from the classroom and sent to the office for a short period of time. These behavior management techniques are to be employed by all staff members.

Clothing Requirement

We at Creative Preschool want your child to have the most enjoyable, safest experience possible. Child-centered art can be messy! Your child will also participate in outdoor play, which includes running, climbing, and tumbling. Therefore, play clothes and shoes which can get dirty and allow for free and safe movement are most appropriate. **GYM SHOES ARE REQUIRED SO THAT YOUR CHILD CAN PARTICIPATE SAFELY IN ALL ACTIVITIES!**

Please remember that dresses, especially those that are long, encumber children from safe play, as well. Please send appropriate clothing for the weather, as well, as we do play outside whenever possible. It may not be cold going from the car into school, but it certainly can be when playing outdoors for even so little as 15 minutes of time.

Please label all outer garments with your child's name!

Evaluations

Prior to the start of the school year, parents will be asked to respond to the ASQ-3 and ASQ-SE Questionnaires. The staff of Creative Preschool will use these tools to identify strengths and possible developmental delays in individual children. Should further evaluation be indicated, parents will be informed and involved.

Parents of Creative Preschool children will receive written communication in regard to their child's development and skills progression. A Social-Emotional Skills Evaluation will be sent home in the fall, winter and end of year, and a Skills Evaluation and Checklist will be included in the winter and spring. These reports will be sent to each family via your designated email address and parents will be asked to sign and return a Receipt of Progress Report form indicating that they have received the report.

Conferences

Parents are always encouraged to email or call a teacher or the director at *any time* to request a conference or with questions, concerns, suggestions or information which will be helpful to the well-being and education of their child.

Because we are a co-op and parents are present in the classroom, however, many do not feel it is necessary or productive to attend a conference. We do not, therefore, automatically schedule conferences for every child. On the Receipt of Progress Report form, however, the teacher may indicate the need for a conference. By checking the appropriate box, parents are encouraged and welcome to request a conference, as well. In that case the teacher will contact the parent to set up a mutually convenient day/time.

It is best practice that children and/or problems should never be discussed in front of a child or another parent, so *a phone call or private conference will be employed*. Please refrain from discussing problems during, before, or after class unless your teacher has arranged for privacy. Your teacher will always be happy to call you at the end of the day!

Snow Delays/Closures

Creative Preschool, Inc. follows the Oak Hills School District CLOSURE for snow days. **When Oak Hills is on a morning DELAY, however, all of our A.M. classes will begin at 9:30 AM, not 2 hours late.** Because we understand that not all families will find it easy or safe to send their child to school when a DELAY is called, we certainly support those who decide to keep their child at home. Please know that it is also acceptable to bring your child any time after the stated start time. On DELAY days morning classes will end at the normal time and *afternoon classes* will begin at the normal time. In the case of unexpected sudden inclement weather, should Creative dismiss early or close for the afternoon session, parents will receive a phone call. Please be sure to check your voice mail!

Holidays/Special Events

Special days are planned during the year. All of these are listed in your Creative Preschool Calendar. In addition, details of each event will be explained in the newsletter of the month of the holiday or the event. We will celebrate Halloween, Thanksgiving, Christmas, Valentine's Day, and Easter. There will also be an end of year Celebration for all classes.

Birthdays

Whenever possible, parents are scheduled as helper on or near their child's birthday. Should your child inadvertently NOT be scheduled, please check with the office or your child's teacher. Summer birthdays may be celebrated, as well, for those parents who wish to do so. If so, please let your teacher know which of your scheduled helping days you would like to celebrate.

Please remind the teacher upon arrival that you will be celebrating your child's birthday! On this day your child will receive a birthday crown and the class will sing Happy Birthday. Your child may celebrate by bringing a special treat. *This treat will be sent home with the classmates at the end of class.* The treat may be anything you and your child might choose, homemade or store bought, since it will not be consumed at school. *If you choose to send a treat, please be sure to package it in a bag or container appropriate for transporting it home by the children.*

Field Trips

Field trips of special interest to the children are planned by the teachers. All students must return a signed permission form in order to attend the field trip, even if a parent will be there with them. The children will be supervised on all trips by the teacher. For most field trips, however, parents are also welcome to accompany their child. Attendance forms and a first aid kit will accompany the class on each field trip. While on the field trip each child will wear a name tag that will include his/her name and the school's name, address, and phone number. A person trained in First Aid who meets the requirements of Rule 5101:2-12-31 of the Administrative code will attend each field trip.

Siblings are not permitted to join in on the field trips!

Transportation for Field Trips

The staff feels that field trips are an important part of a well-rounded preschool education. The Ohio Child Safety Law states that all children of preschool age are required to be fastened into an appropriate child car seat. Therefore, transportation will not be provided by the school. Parents will be required to transport their child to the field trip or make other arrangements, such as car pools.

When Problems Occur

We at Creative Preschool, Inc. have your child's best interest at heart at all times. Many problems can be avoided when caring adults communicate openly. Even so, at times problems can occur. When they do, however, most problems can be resolved when parents and teachers work together for the sake of the child.

With this in mind, it is our policy that at any time your child's teacher feels the need to discuss a problem she will contact you as soon as she is able. Problems should never be

discussed in front of a child or another parent, so *a phone call or private conference will be employed*. Please refrain from discussing problems during, before, or after class.

Should you, as well, have a problem or question about the school, a teacher, or school policy, please follow these steps until you receive a fair resolution:

- First, ask the teacher for a private conference or phone call to discuss the issue.
- Next, if the problem is not resolved, discuss the problem privately with the Director.
- If the problem still is not satisfactorily resolved, discuss the problem privately with the Creative Preschool Board President.
- If further resolution is needed, take your complaint before the Creative Preschool Board.

HELPER DAY!

Because Creative Preschool, Inc. is a co-operative preschool, it is recommended that parents help out in the classroom and in the school on a regular basis. Before the start of school each family should receive a Child Helper Day assignment. On this form each child is assigned a minimum number of “Child Helper” days.

Helper Day is a special day for you and your child. Each child certainly looks forward to their “helping day!” On this day he or she will:

- be the line leader.
- provide snack and drink for the class.
- be snack helper.
- have the opportunity to bring one child-friendly item from home to share at “show and tell time.”
- have the opportunity to bring an “Adult Helper” to school.

Your child’s Helper Day is special for you, as well. It is your chance to become acquainted with your child’s teacher and classmates. It is also a wonderful opportunity to observe your child at work and play in the school setting. Observing your child as he or she interacts with other adult figures and children in group situations can be particularly rewarding.

Although we certainly hope parents will have the opportunity to come as Helping Adult, remember that the helper need not always be a parent. The Helping Adult can be a parent, grandparent, relative, babysitter, and so forth, as long as this person is an *adult* capable of helping the teacher with the rigorous task of caring for the needs of a group of preschool children.

What if I am Unable to Help as Assigned?

When you look over the Child Helper Day assignment you may find that some of the assigned days do not work for your schedule. In that case, you have several options. You can:

- trade Child Helper Days with another parent.
- request open “helper needed” days with the director.
- ask a family member or friend to come as Adult Helper.
- forfeit your Adult Helper day. Should you decide to forfeit, your child will still be the Snack Helper. You will be required, however, to pay a fee of \$25 for each day forfeited.

It is required that each parent return the Helping Adult Intent form no later than Parent Orientation. The information on this form will allow us to be certain that teachers have the extra hands needed in the classroom and, if not, allow us to plan for extra staff. If we DO NOT receive this form it will be assumed that you are committed to attending all of your child’s helper days as Adult Helper.

Oops! I Can’t Make my Adult Helper Commitment!

Occasionally, even though you had agreed to your assigned dates, circumstances occur which make it impossible for you to be at school. When this occurs we ask that you arrange a substitute or a trade to fulfill your commitment. Then, please call the school office as soon as possible to inform us of the substitute or, should you be unable to find a substitute, your absence. Should you or a substitute fail to appear to fulfill your assigned helper day you will be charged a fee of \$25. Should we need to provide snack and drink, as well, an additional \$10 snack fee will be charged.

Help! I’m the Adult Helper!

We ask that you arrive 15 minutes prior to class starting time. You will help the teacher with whatever preparation and clean-up is necessary. You will also help greet the children, help supervise and clean up the art project, perhaps read stories, play games, supervise play, and help with dismissal. You might on occasion be asked to remain for a few minutes after dismissal to help your teacher clean up or prepare for the next class. You are responsible for supplying and getting snack and drinks ready for the class with your child. Please bring a nutritious snack (see the suggested SNACK LIST) and drink for the children, the teacher, and yourself. Cups and napkins will be provided by the school.

Whether you are attending with your child or not, your child still gets his/her chance to bring snack for the class. Whenever possible, on the class day before your child’s scheduled Child Helper Day we will send home the *SNACK BAG*. Please send the snack bag back on your child’s Child Helper Day with enough snack and drink for the entire class, including the teacher.

Please be sure to ask your child's teacher who receives the Snack Bag for the next class day!

When providing snack please keep these requirements in mind:

- Be sure to consider food allergies; when in doubt check with your child's teacher.
- Snacks **MUST**, because of licensing requirements, be bakery, restaurant, or store-bought and brought to school in unopened packages.
- **No snack which has been prepared at home can be consumed at school!**
- Snacks should be healthy and safe choices for the preschool child. Please refer to the snack list below for some suggestions.
- Please do not send in cookies, donuts, cupcakes, or other high-sugar foods.
- Drinks may include any unopened milk or *juice* (please, no Kool-aide, Gatorade or like drinks or fruit *drinks*). A half-gallon of juice or milk is enough for the 3 year old classes, but the 4 and 5 year old groups most likely will require two half gallons.
- Please consider smaller portions for the preschool child. One peanut butter cracker or ½ cheese stick is enough to start and the children may always ask for more. Less given at the initial serving means less waste!
- Cups and napkins will be provided by the school; eating utensils, plates, and bowls are not.

Please take home any uneaten snacks and drinks and remember to pass the Snack Bag to the next class day's Child Helper.

Snack

It is our goal to provide a sound foundation in education and best practices for a healthy lifestyle. We ask, therefore, that you provide safe and healthy snack choices for our preschool-age children. Please consider high fiber and low sugar alternatives while planning for snack.

Healthy Snack Suggestions:

- raisins or dried fruit
- cheese cubes
- whole grain crackers
- graham crackers
- pretzels
- applesauce
- fresh fruit (must be cut at school)
- frozen or canned fruit in natural juice
- raw vegetables
- granola bars
- yogurt
- whole grain breads, pitas, etc.
- all-fruit spread or peanut or almond butter for dipping or spreading
- multigrain/low sugar cereals
- pop chips
- popcorn
- vegetable or sweet potato chips or straws
- peanut butter crackers

ARRIVAL/DISMISSAL POLICY

**Please drive slowly and carefully, observing
all stop signs posted!!!**

**No child should arrive at school more than
10 minutes before class time**

Arrival

There are two options for arrival:

Option #1 **Parent Escort:**

Parent should park in the designated parking spaces and walk the child into the school. Please escort your child to the lavatory to use the toilet and then to wash hands. All children are required to wash hands before entering the classroom!

**FOR YOUR CHILD'S SAFETY AND PROTECTION, PLEASE NEVER LEAVE YOUR CHILD
UNATTENDED IN THE CLASSROOM!**

Option #2 **Staff Escort/Drop Off:**

Drop-off begins no more than 10 minutes before the beginning of class time.

- Simply pull your car as far left as possible, parallel to the cones, and forward toward the main entrance doors (without blocking the school crosswalk/entrance).
- *Wait* in your car for the staff member to open the car door and remove your child from the vehicle.
- Whenever possible it is safer for the child to exit the rear driver/left side of the vehicle!

A staff member will escort your child to the lavatory for handwashing and then to the classroom.

**PLEASE NEVER SEND YOUR CHILD INTO THE SCHOOL UNSUPERVISED.
ALWAYS WAIT FOR THE STAFF-ESCORT!**

Due to limited staffing on SNOW DELAY days, it might be necessary for you to bring your child to the front or classroom doors to be met by a staff member; please be flexible during these unusual day circumstances!

Dismissal

The parent or the “authorized person” should meet the child at the classroom door. The parent or legal guardian must notify the child’s teacher in writing on a prescribed authorization form of anyone (the “authorized person”) besides themselves who will be picking up a child from school. On this form, please notify your child’s teacher in writing of car pools and of the children and parents involved. In addition, according to State regulations, no child will be dismissed to a sibling under the age of 16 years of age without parental written consent on file with the Administrator/Director.

Under special circumstances/requests a staff member will be available to escort children to the car. Please see Mrs. DePaoli.

For your child’s peace of mind and as a courtesy to teachers, please be punctual at dismissal time.

Parking

In order to best protect the children, when coming to and leaving Creative Preschool, Inc., please follow these guidelines:

- Drive slowly and carefully at all times.
- Always **stop and look** at the stop sign at the cross walk.
- Park only in designated, lined parking spots in the lower or upper lot.
- Do not park in any way which will block the cross walk from pedestrian traffic or from the view of approaching auto traffic.
- Do not park along either side of the driveway to the lower parking lot, including the gravel walkway.
- Do not move any cones blocking parking spaces. These spaces are blocked for the safety of the children entering and exiting the school.
- Do not park along the cones at the drop-off zone at any time!

LATE TUITION POLICY

If you should find that you are in the circumstance of finding it difficult to meet scheduled tuition installments, please call Mary Beth DePaoli at 941-7254 immediately. Mrs. DePaoli will work confidentially with you to find a payment plan that works best for you and for the school.

If you have not contacted Mrs. DePaoli to make other arrangements for late installment payments, the following policy will be in effect:

- Tuition installment is 2 weeks late: a reminder notice will be sent requesting immediate payment.
- Tuition installment is not received by requested date: a follow-up phone call will be made.
- Tuition falls two months in arrears: your child(ren) may be dismissed from the school.
- No family will be permitted to pre-register for the following year unless tuition is paid up to date.
- If tuition is two months in arrears after registration has occurred, your child(ren) may be dismissed from the school and removed from the following year’s class roster.
