Message from the Director

Welcome back and Happy New Year! We here at Creative hope that the Holidays were wonderful for you and your family and that 2019 entered with peace and joy.

As you read this newsletter most of the children have returned to Creative after the long holiday break and are very happily readjusting! It is rewarding to see the children skip or run with exuberance into school after being away for so long (and we all know 2 weeks is an

eternity to young children!) I surely hope that school will always bring such joy!

January and February will be busy months here at Creative. The children will be participating in winter activities, usually indoors, as the cold winter months are upon us! Registration for the 2019-20 school year is happening and we will be preparing for VIP Day, held on February 17 this year, as well.

Look for Progress Reports to come to you by email the week of January 14. Please remember to sign and return the two forms which will come home in a manila envelope through your child's cubby. Remember to check the box to request a phone or conference meeting with your child's teacher. January 22 has been set aside for conferences, but we are always available to meet with you at a more convenient time!

2018 has been a year of many blessing for our Creative Preschool family. It is our hope that 2019 continues the trend and we all enjoy happy times that create beautiful memories!

Progress Reporting

The week of January 14 you should receive a manila envelope in your child's cubby. In it you will find your child's updated *GOAL SHEET* and *CONFIRMATION OF RECEIPT OF PROGRESS REPORTS* sheet. At that time your child's Progress Reports will come home via email. **Please remember to send back the manila envelope with both forms, the GOAL SHEET and the CONFIRMATION OF PROGRESS REPORTS RECEIPT sheet, signed and dated.** Please indicate on the *CONFIRMATION OF RECEIPT sheet*, by checking the box, if you would like a phone or in-person conference. Your child's teacher will contact you to set up a mutually agreeable time to talk or meet.

News from Threes

Happy New Year! We will start the month of January off exploring – through discussion,

activities, and art – the cold weather months of winter and the changes we see in nature. You will receive your child's progress report the week of January 14 by email. Please see the section titled ***Progress Reporting*** in this Newsletter for further information. Although this is the time you may formally indicate your preference for a conference or phone call, please, never hesitate to contact your teacher with questions or concerns at any time—we are always here to confer and help in any way!

We will begin the month of February by preparing for VIP Day, which will take place on February 17. A participation form will come home in January—we ask that you fill out this form and return it as soon as possible so that we can prepare for those attending. An invitation will be coming home, too, with a suggested arrival time. Please see that your child's special guest receives this. More information can be found in the VIP section of this newsletter, as well. VIP Day is always a fun day for all!

We will be celebrating Valentine's Day on February 13 for the M-W classes and February 14 for the T-TH classes. Your child may bring Valentines and/or a small treat to school to pass out to their friends. Please do not put names on the envelopes, as no name make for easier "mail delivery".

News from Fours

Happy New Year! We hope 2019 is filled with many blessings for all! We enjoyed our break, but it is so good to see the smiling faces of each of your children as they return!

With winter fully upon us, during the month of January we will be participating in activities which are snow-themed. Wild and tame animals will be introduced and explored, as well.

The children will be learning to recognize their last names in print and over the next few months they will be learning to recognize and

recite their address – both "house number" and "street name". Please begin to repeatedly recite your address with your child now. By now all of the children should be writing their name on their work. Again, practice at home will be helpful. Remember to refer to the letter formation sheet sent home at the beginning of the year so correct habits can be formed.

Progress reports will come home the week of January 14. Please see the section titled ***Progress Reporting*** in this Newsletter for further information.

We will begin the month of February preparing for VIP Day, which will take place on February 17. A participation form will come home in January—we ask that you fill out this form and return it as soon as possible so that we can prepare for those attending. An invitation will be coming home, too. Please see that your child's special guest receives this. More information can be found in the VIP section of this newsletter.

During the month of February we will be preparing for Valentine's Day, as well. Valentine parties will be on February 13 and 14. The children will pass out Valentine cards/treats to their classmates on these days. PLEASE DO NOT PUT CLASSMATES' NAMES ON THE VALENTINES! Toward the end of February we will begin a unit on health and safety.

Christmas break. It was good to have some time off; but it is also good to be together having fun again!

During the month of January, we will be participating in activities with winter and snowy themes. Snowmen, mittens and hibernating animals are topics we will discuss and also create in Art. We will learn a little bit about Martin Luther King Jr., and also begin our journey around the world. As we begin our travel to other continents at the end of January, we learn a bit about some countries and their customs and then make Art related to the places we study. By the end of the year we will have visited all seven continents.

Progress reports will come home the week of January 14. Please see the section titled **Progress Reporting** in this Newsletter for further information.

We will begin the month of February by preparing for VIP Day, which will take place on Sunday, February 17. Please look for information concerning VIP Day in this newsletter. A sheet concerning VIP day will come home soon, as well. Please return the tear-off at the bottom and return it as soon as possible. Look for an invitation to come home, as well, which should then be delivered to your child's special guest. Our Valentine Party will be on Wednesday, February 13. The children will pass out Valentines/treats to their classmates. PLEASE DO NOT PUT CLASSMATES' NAMES ON THE VALENTINES!

During February the children will work on recognizing and reciting their addresses - both house number and street name, as well. Please practice with your child at home. We will also discuss Ground Hog Day, the Chinese New Year, George Washington and Abraham Lincoln; and we will begin a unit on health, safety and dental health.

News from Friday Friends

I hope everyone had a great Christmas and Happy New Year! Upon our return to school we will explore the changes we see in nature during the season of Winter. The theme of our Art projects will be Winter-related, as well. I will also be observing and working with each child as much as possible during the next few weeks in order to evaluate their progress. We will celebrate Valentine's Day on February 8. Your child may bring a valentine and/or small treat for their classmates. Please only put your child's name on their Valentine card, NOT the names of the classmates. It makes "mail delivery" much easier! VIP day is February 17. Please look for a participation form to come home by the end of January and return the form as soon as possible afterward! More information can be found in the VIP section of this newsletter, as well.

News from Motor Skills and Music

Hello everyone and Happy New Year! In the months of January and February, we will be working with balance, hand-eye coordination, dance and other assorted craziness! On the music the children will be introduced to an assortment of instruments and learn how they work to make their unique sound. I hope everyone had a great holiday! Let's make 2019 the best year ever!! Sincerely, Mr. Goldie.

News from Art

I will not be meeting with your children again until the end of January or first of February for Special Art, but when we get together we will definitely be doing something special! The

artist we will be learning about, Charley Harper, was not only a contemporary graphic artist, but he studied at Cincinnati Art Academy and lived the remainder of his years in Cincinnati. For his love of nature and use of realistic minimalism, Charley's work is widely recognized and loved by many. We will be creating Winter Art, Harper style! Look for these masterpieces to appear in the Art Gallery in February.

VIP Day

VIP Day, February 17, is a day set aside for the children to bring a Very Important Person -- usually someone who may not get to participate in their daily school routine!— to school. This might be Dad, Mom or someone else special. Your child and their guest will share some time at school in the classrooms, make a themed craft, enjoy a snack together, and get their picture taken.

Please mark this day on your calendar. Parent Volunteers are needed to assist with crafts, serve snacks and with picture taking. If you are able to help, please contact Carly Lambert at Carly.Lambert@lsrlaw.com. or Amy Schneider @ schneideramyn@gmail.com
