

Creative Preschool Newsletter December 2016

Message from the Director

The month of December promises to be a very busy one for all of us, both children and adults alike. We will be bustling about shopping, planning, decorating, and partying. It is a joyous, yet exhausting, season for most. How wonderful, indeed, this season is, as it is a time which can be used to focus on giving and doing for the good of others instead of me, me, me! Therein is the challenge for those of us with children, who, by nature, are ego centered and are so greatly influenced by the bombardment of advertisements and commercialism we experience in our culture.

Christmas day is a day of joy and charity. May you and those you love richly blessed in both this holiday season and throughout the year. And may you pass those gifts on to your children in abundance.

Christmas blessings to you and your family from all of us here at Creative Preschool!

News from Threes

There is magic all around us these days! Our school is beginning to look a lot like Christmas! We will be working on a special Christmas present for Mom and Dad. Christmas decorations, both for home and school, will keep us very busy in these fun filled weeks. Our Christmas parties are on December 19 for the M-W class and December 20 for the T-TH class during regular class time. Hopefully Santa will stop by for a short visit. Most of the children are excited to sit on his lap and give him their wish list. If your child does not want to, though, he/she will never be forced. Each child will have his/her picture taken with Santa.

We hope you enjoy much family time during our Christmas break beginning Wednesday, December 21. Classes resume on January 3.

News from Fours

What a wonderful time of year this is, and how special it is for us to share the joy and anticipation of this season with your children! This month we at Creative will definitely be busy getting ready for Christmas. We will be making a gift and a card that you will find under your tree--- hand-made by your child's loving hands! Shh! Don't ask what it is, it's a secret! We are certain that you will cherish this unique gift. We will be making decorations to add Christmas cheer to your home and ornaments for our tree here at school, as well, and we will be learning Christmas songs to share with you.

Our Christmas parties will be on Monday, December 19th for M-W-F AM & PM classes and on Tuesday, December 20th for T-TH AM & TTHF PM classes. We

are hoping that Santa will have time to visit! On the day of our Christmas parties we will be spreading some Christmas cheer by singing Christmas carols at the end of class time. **Families are welcome to join us for caroling upstairs in Fellowship Hall at 11:15 for AM classes and at 3:00 for PM classes.** The children will dismiss from their classrooms following the carols.

Classes will resume on January 3 or 4. We wish each of you a very blessed and joyous Christmas, and a fun-filled Holiday break!

"It's the most wonderful time of the year!" It is so wonderful for me to share in the excitement and anticipation of the Christmas season with your child! My Christmas is always merrier and brighter because I get to share the joy of the season with your child! Christmas is a busy time of year and your child and I will be busy all month long making ornaments and decorations for your home that I'm sure you will cherish for years. We will also be making a very special gift for each of you -- even the wrapping paper and card will be homemade! The month of December is full of so much fun and wonder that we are all dizzy and dancing with delight!

In addition to all our Christmas preparations, we will continue with our alphabet art and our alphabet writing. We will also briefly discuss how Christmas is celebrated in other countries.

Our class Christmas party will be on Monday, December 19th. We are so hoping that Santa will be able to stop at our school on this day so that we can visit with him and remind him what we are hoping to find under our Christmas trees! We are trying so hard to be good!

We will be singing a few Christmas carols at the end of the day on the 19th. **You are all invited to join us as we sing these carols upstairs in Fellowship Hall at 3:15.**

Classes will resume for us on Wednesday, January 4th. I wish each of you a Christmas filled with blessings, love and joy. May the New Year bring you peace and happiness too!

News from Friday Friends

December is going to be a very busy month for us! We will be making a special present for our parents. The children will be bringing home Christmas crafts to help decorate your home, too! Our Christmas Party is on Friday, December 16. Santa may be stopping by for a short visit on this day. I wish everyone a Merry Christmas and Happy New Year! I hope you have an enjoyable and relaxing Holiday break, and I look forward to seeing you back at school on January 6!

News from Motor Skills and Music

We certainly have been having a good time in the "big room upstairs." It is amazing - by using our imagination as we play our games, we have discovered that there are so many places we can go! Recently, we even went on safari, traveling UNDER the waterfall, ACROSS the raging river and THROUGH a hollow log, working on taking turns and following directions! In December, of course it will begin to look a lot like Christmas as we play reindeer games. In music, we've been discovering the orchestra, beginning with the percussion family. We will see what kind of 'toys' that percussion musicians use, in addition to drums, that make special sounds like sleigh bells and horse hooves. We, too, will sing some of those Christmas songs! I certainly wish you all the joys and blessings of the Christmas season!

News from Art

In this month's lesson the children will learn about the science of color and the technique of filling in space with dots of color (called Pointillism.) Then, using inspiration from the works of George Seurat, they will create Pointillist art of their own. Look for our little artist's Pointillist-inspired work in our Art Gallery this month!

Board Meeting

The next Board Meeting is Tuesday, January 17th @ 7:00. Please come—perhaps you will want to join us next year!
