

CREATIVE PRESCHOOL NEWSLETTER  
MAY 2017

**Message from the Director**

It is hard to believe that the year is drawing to a close and so many of our wonderful families will be moving on.

This will be my last opportunity to say thank you. Thank you for choosing to trust us, the teachers, aides, and me, with the care, comfort, and education of your children. And a great big thank you for all you have done and the time you have given to make this year so productive and such a great experience for the staff and children of Creative Preschool!

This brings me to our continued goal to offer these children the best. We are a quality school. To quote Lawrence Welk, we “have a tremendous desire to learn, and to grow, and to develop whatever (we) have that will make for any kind of improvement in (us).” We are, therefore, constantly looking for ways to make positive changes which will improve our already wonderful school.

A critical component to our vitality and improvement is YOU! Attached to this newsletter is a parent survey. We are asking every family to give thoughtful consideration to honestly answering the questions. This is YOUR school and we want your opinion and suggestions! Drop your survey in the box found by the entrance doors. Thank you for sharing your insight with us, because “we are not what we know but what we are willing to learn.” – Mary Catherine Bateson

The end of every school year is bittersweet. Saying goodbye is sad. We wish those of you who are leaving Creative for the last time everything good in the future. Those of you who are returning, we will happily see you in August!

On a personal note, I would like to say that I treasure the time that I get to spend with you, parents, and with your children. The children bring laughter and joy to my day. I truly feel blessed to have had the opportunity to get to know so many of you parents and your family. I certainly hope to meet you all again. Have a fun-filled and safe summer!

**News from Friday Friends**

It's hard to believe that the school year is almost over. During the month of May we will be working on a special Mother's Day present and other fun art

projects. We will continue to review colors, shapes and numbers. I will also continue formal testing for the end of the year progress reports. Hopefully we will be spending a lot of time outside now that the sun has returned. Just a reminder - please have the children wear closed toed gym shoes for safe outdoor play!

On May 26 we will meet in the Activity Room at 9:30 for our end of year Celebration! We will be singing some of our favorite songs and the children will receive a certificate for completing the Friday Friends program. You are welcome to invite anyone who is able to come. You can expect to be here no more than an hour. There will be a sign-up sheet in the hallway for refreshments. I have enjoyed having your children in my class this year. Thank you all so much for a great year and have wonderful summer! Mrs. Docter

**News from Threes**

The end of the school year is upon us. As the school year has progress, we have observed change not only in nature, but also in the growth and development of your three-year-old children. The month of May will be spent finishing our booklets, having fun outside, and enjoying these last few weeks together. Our final days of school are May 24 and 25. On these days we will come together for just about an hour to celebrate a fantastic year! We will meet in the Activity Room, the room to the right as you enter the main doors, at the time listed below. We will spend no more than an hour simply being together, singing a few songs, doing a few finger plays and getting our booklets. Cookies and juice will be served, too. Look for sign-up sheets in the hallway. Parents and siblings are invited, as well!

When the children return from Spring Break, they will find an Ocean in the Discovery Room! The Sweet Shop and the Floral Shop will remain in the Activity Room and we will certainly be using the playground this month, as well! The children's Progress Reports will come home mid-May. If you would like a conference or have questions concerning the Progress Report, please contact your child's teacher.

Please mark your calendar for these May events:

More detailed information and an attendance/order form should have come home by now. Please return the tear-off by the due date. It is very important that each family send this form back, on time, so that we know how much food and drink we need to order!

## News from Pre-K-K

The end of the school year is fast approaching which means that your child and I will be busy as usual! The end of a school year always makes me a bit sad as I spend my last few days with your child and try to ready myself for saying, "Good-bye" to each of them. It has been a wonderful year! I have marveled at the academic excellence of each of the children! They have accomplished so much! It has been a great blessing to watch them learn and grow this year. I have also enjoyed working with each of you in our classroom and I thank you for the many ways you have helped me this year!

During this school year your child has made an alphabet writing book and an alphabet folder. Look for these two items to come home soon. My hope is that you and your child will enjoy looking at them together, as well as use them to review the alphabet! We will continue our travels and you can expect your child's suitcase to come home! I hope you enjoy discussing together the many places we have traveled!

Progress reports be emailed to you the week of May 15<sup>th</sup>. If you have any questions or concerns once you review these, please let me know and we will set up a time to talk.

Some special events and dates in May are:

### **MAY 12- MOM IS QUEEN FOR THE DAY!**

Mommies who are able please come school 15 minutes before the end of class. Go to the Activity Room and we will meet you there for some very special surprises!

### **MAY 15- OUTDOOR DAY**

Our celebration time is 1:30-2:30. Please bring your child to our classroom 10 minutes before our Celebration time. You should then go upstairs and be seated in the large church meeting room. We will join you once everyone has arrived. We will sing a couple

of our favorite songs and even ask you to join in. I will then pass out the books the children have made. All of us will then go outside for a pizza picnic and a most delicious dessert that your child made especially for you! We can all eat, socialize and play on the playground! More detailed information should have come home by now. It is very important that each family send this form back on time so that we can plan for food!

Again, it has been a GREAT year! Thanks for all you've done and for the privilege of teaching your child! Have a fun and safe summer!

### News from Motor Skills and Music

It's hard to believe that this school year is almost over and my time with all my preschool friends is done. I look forward to my one-day-a-week with them. They greet new experiences with such enthusiasm and tremendous energy. It is amazing to see how much our preschoolers have learned! In Motor Skills, we've learned to take turns and follow directions, and we've done a lot of running, jumping, dancing, wiggling, throwing, and we've always used our imaginations. In Music, we have explored tempo and rhythm and pitch, listened to many types of music and been introduced to all the instrument families of the orchestra. I am so proud of our little learners and will miss them all. Thank you for sharing your treasures with all of us. Have a wonderful summer, with love from Mrs. Fluegeman.

### News from Art

I hope you will take a look at the colorful and entertaining Self-Portraits in our Art Gallery. These Self-Portraits, inspired by the expressive work of Pablo Picasso, were painted by your young artists using color and line to express emotion.

It has been both fun and rewarding learning about artists and their styles and techniques with your children this year! As Vincent van Gogh once said, "A good picture is equivalent to a good deed." We have certainly created many "good deeds" in Special Art this year!

### Openings

A few openings are available in 2 day TTh morning Fours, TTh afternoon 3s, as well as couple spots in the Pre-K class. Interested families can call Carrie Bushman at 834-5698 (3 year old) or Allie Wedig at 513-476-2887 (4 year old)

### Fundraising

Thanks to everyone who purchased Mike's Car Wash certificates! We raised about \$400 for Creative!

### News from the Board

We are in need of someone to be in charge of the playground next year. It requires cleaning and maintaining the playground in the fall and spring. You will have help from parents. Please contact Kim Sellmeyer if you are interested.

\*\*\*\*BOARD MEETING CHANGE! We will now meet MAY, 4th at 6:00. There will be no April meeting.\*\*\*\*

Raffle tickets for the baskets will come home with your child the beginning of May, as well. All tickets are \$1. If you need more, you can ask Mrs. DePaoli or visit our Facebook page to print more.
- We are still in need of teenage volunteers looking for service hours, especially for face painting! Please contact [lpetrungaro@hotmail.com](mailto:lpetrungaro@hotmail.com)!
