

## Message from Mrs. Tepe

The crisp fall mornings are here! Yippee! Our playground is once again surrounded by vibrant fall colors and lots of falling leaves! The children are immersing themselves in friendships, play and learning! The children are joyous and actively

engaged in every aspect of our school! It is such a refreshing and rewarding community to be a part of. We are truly blessed!

A huge THANK YOU to Stacy Kyde and Emma Trieger for organizing our fall fundraisers! It takes lots of work to make everything happen and they, and our entire Parent Board, give constantly without hesitation! Thank you also to all who supported our fundraiser! Your support is paramount and appreciated beyond measure!

Enrichment programs like Gotta Dance, Music, Yoga and Dream Maker Farms (all happening in October) are only possible because of your generosity!

October is full of exciting events! Halloween class parties and Parades will be spooktacular. More detailed information will be sent home with your child regarding parade times and details. Fall Family Fun Day is also coming up on October 16th, come ready for crafts, cookies, games, and community building! RSVPs were sent home with your child last week. There are also extras on the bookshelf by the front door. Please send your RSVP in as soon as possible!

## A FEW NOTES FROM OUR DIRECTOR!

-Timely arrivals: Our classes share spaces. This means we run on a tight clock. Your child is welcome to arrive 10 minutes before their class start time. Please ensure that your child arrives during this ten-minute time frame! For our morning classes, please be mindful that many of our teachers also have an afternoon class to get ready for with a small turnaround time in between those classes.

-Have you been receiving our emails? Please check that our emails are coming through to your "In Box". If you are not receiving emails from Creative, you may need to check your spam/junk file.

### Halloween Guidelines

The day of their Halloween Party, the children will be invited to wear their costumes to school. They may also bring a treat to share with their class.

Please keep these pointers in mind:

- Children should wear child-friendly costumes.
- Please either have your child wear shorts and t-shirt under their costume or send a change of clothing.
- No weapons are ever allowed at school!
- Costume props, though fun, can create safety issues in the classroom. Please leave them at home.
- Gym shoes are required at school! Leave those princess heels at home!
- The children will trick-or-treat in their classroom, so you may send treats to pass out to their friends. Please send a treat for each classmate *and one for your child, as well*, as we will be developing the concept of one-to-one correspondence while passing treats, one into each of their classmate's bag.
- Children will be making their own trick or treat bag at school, so there is no need to send one with them.

## News from Three's

October is a busy month for us! We will be discussing the Autumn/Fall season and observing all the changes this time of year brings. We will be creating some special Fall and Halloween art projects to help decorate your house and continuing to learn about colors and shapes. We will be introducing numbers 0-5. The projects and number games that we will be doing will help with reinforcing number recognition. We will be talking about different feelings that we can while helping them recognize and verbalizer their emotions. We are also going to be doing some fun activities using positional words.

The children are off to a great start! They are making new friends, developing the concepts of sharing and taking turns and having fun learning new things. We are really enjoying getting to know your children and appreciate that you are sharing them with us! Please feel free to contact your child's teacher with any questions or concerns.

Please make a note of the Important Dates listed on Page 1. Please read the guidelines on Page 2 for our Halloween celebrations so that the day can be as happy as possible for the children!

## News from Friday Friends

Friday Friends are off to a great start! We are making new friends, learning new things, learning our classroom rules, and practicing putting our toys away. The children will continue to develop the important social skills of taking turns and sharing. We will be creating some special Fall/Halloween art projects to decorate your house all while learning more about colors and shapes. We will be talking about feelings and play with positional words. Halloween information can be found on page 2 of this newsletter. We will celebrate Halloween on Friday, October 28. Please read the guidelines on page 2 so that the day can be as happy as possible for the children!

Please always feel free to contact me with any questions or concerns!

## News from Four's

As we begin our second month of school, we are happy to say that the children are adjusting quite well to our routines and to their new friends. The children are learning to take care of their own needs, to clean up after themselves, and to be responsible for the proper use of materials in our classrooms. As each day passes, we expect to see more and more independence!

We will continue to learn about our senses this month. With the approach of Halloween, we will also be talking about our feelings, and we will create creepy (but fun!) art and crafts in keeping with the season! Child-friendly Halloween celebrations will be held here at Creative. Halloween guidelines can be found on page 2. Please read the guidelines so that the day can be as happy as possible for the children!

## News from PreK

The first month of school has gone great! The children are becoming good friends and they have adjusted to the routines and activities in our classroom. Everyone is always excited to participate in whatever is planned for the day and we are all working very hard at being good listeners. They are a terrific group of children!

This month we will have a visit from Dream Maker Farms petting zoo and we look forward to more visits from Mr. Goldie, Music with Ms. Hudak, and Gotta Dance.

Themes for this month: we will finish our study of shapes and our five senses and continue with our study of numbers and letters. Autumn items and rocks/geology will be found in our science table along with some Halloween themed STEAM activities!

We will also celebrate Halloween with a party on October 31. Halloween information and reminders can be found on page 2. Please read the guidelines so that the day can be as happy as possible for the children.
