

Message from Mrs. Tepe

How is it November already? Whoosh, we blinked and here we are well into the school year. November is a time to stop and take stock of all we have to be thankful for. It is certainly a good reminder for us to focus on what we are thankful for.

We are thankful for all your beautiful children! Your children are the most precious gift, not only to you, but to all of the staff at Creative Preschool. We truly

enjoy them, their stories, commentary, sweet giggles and refreshing perspective on the world. It is a gift to spend our days educating them.

Its often said “It takes a village” and what a village we have at Creative! The beautiful and caring families of Creative, are something we are forever thankful for! Your constant support of Creative; from helping in our classrooms, to spending Saturday’s helping clean up the playground, sending in extra snacks and supporting our fundraisers. You are paramount to the success of our school. I cannot tell you enough how your care for your child’s education is evident in the children. They respect the learning process, environment, and each other, because you have instilled in them that learning is an important investment! Thank you! To our Parent Board Members, please accept this extra BIG THANK YOU from me! Your extra time support and talents do not go unnoticed.

Finally, I must tell you that I am beyond grateful for our awesome staff! Our teachers and aids absolutely adore your children, and we are thankful to all that they do and give to our school. Our teachers not only spend time here during their “official” working hours but constant hours behind the scenes doing all the little things that make our school great. They can be found here on nights and weekends changing class centers, cleaning, lesson planning or engaged in professional development. They go above and beyond in more ways than anyone ever sees. They are beautiful sculptors of learning. Thank you, my colleagues. You are amazing!

Have a wonderful and blessed Thanksgiving!
Mrs. Tepe

Reminders:

As we are a Co-Op, we ask for parent helpers, please keep in mind that all parents are asked to lend a hand at least once a year for school events. Parents can help by volunteering at playground clean up in the fall or spring, helping at VIP Day or at the Carnival, bringing a special skill to school, helping as a room parent or as a “special visitor” for a holiday party.

Also, please remember when you are a parent helper, purses and drinks/water bottles need to be kept in the office per ODJFS regulations. Thank you!

A Message from the Parent Board President

The Parent Board would like to extend their thanks to all the “special guests” & anyone who helped with the Fall VIP Day. The weather was beautiful, and the kids seemed to have a ton of fall fun with their special guest! A special thanks to parents/board members for organizing and planning such a fun day! 😊 Mark your calendars! We will be having a Black Friday Raffle with some exciting chances to win some amazing prizes. More details will be sent home with your child in the beginning of November. These fundraisers are always a HUGE help to Creative and we are very thankful for all the support you all continue to give!

With Many Thanks!
