

## Message from Mrs. Tepe

The month of December is sure to be a very busy one for all of us! We will be bustling about shopping, planning, decorating and hopefully celebrating with family and friends the best way we can!

We will certainly be celebrating the season here at Creative! It is a unique gift to enjoy the Christmas season through the eyes of a child. I hope that no matter how busy your season, you find time to see it as your child does!

May you and those you love be richly blessed with joy, charity and

peace this holiday season and throughout the coming year! Christmas blessings to you and your family from all of us here at Creative!

There is magic all around us these days! We are so fortunate that we get to experience this wonderful holiday season through the eyes of each of your children! We are going to be very busy this month getting ready for Christmas, but we are also going to have so much fun! We will be making a special Christmas gift, card and wrapping paper for our parents. We know the children will try their best to keep this present a secret! We will also make holiday crafts to help decorate your homes!

On December 7 and 8 we will be watching Rudolph the Red Nose Reindeer movie with the 4-year-old classes! We will be making a yummy reindeer snack that we will eat while watching the movie. The Science Table will have items hidden in stockings. The children will be using their sense of touch and their sense of hearing to determine what the items are and then match the items to the appropriate picture. There will also be a felt Christmas tree in the Science area. The children will have the opportunity to decorate the tree with felt ornaments.
